

ECCK Tax Forum : 2025 Tax Law Amendments and Outlook

EVENT OUTLINE

The tax law amendments for 2025 in Korea introduce significant changes aimed at enhancing compliance, fostering economic growth, and addressing evolving financial landscapes. These updates reflect the government's efforts to streamline tax regulations, support businesses, and ensure a fairer taxation system for individuals and corporations alike.

In this presentation, we will explore the key amendments, their implications for taxpayers, and strategies to adapt to the new regulatory environment effectively. Additionally, we will discuss the outlook for 2025, examining how these tax changes are expected to impact economic conditions and business operations in 2025.
